

This heavy-weight sample pack ably captures the dynamic sounds of artists such as Charlotte de Witte, Ben Klock, Nina Kraviz, Enrico Sangiuliano, T78 and UMEK.

If you're looking to dive into the underground techno and explore a wide range of acid vibes then this is for you. Punchy Techno is packed with dark and sinister bass loops, deep thunderous synth loops, alongside industrial sounding drum loops exported into constituent parts for ultimate flexibility.

The FX in this pack are essential for any producer looking to put the finishing touches on their productions (no matter what genre you're making), and the melodic content will satisfy all your needs.

Step up your production game with this massive collection of mind-warping sounds and compete with the top names in the scene!
