

Introducing Radio Hit Vocals Vol.2, the vocal sample pack for music producers who are looking to create radio-ready hit songs. This royalty-free sample pack includes everything you need to create top-quality, chart-topping tracks. Radio Hit Vocals Vol.2 features five construction kits packed with high-quality WAV loops of drums, bass, FX, synths, and acapella vocals.

You'll have access to both dry and wet versions of the vocal lead, harmonies, double vocals, and MIDI files for all melodic instruments.

With Serum presets for all melodic instruments included, this sample pack makes it easy to create custom sounds.

All of the sounds and MIDI files in Radio Hit Vocals Vol.2 are labeled with BPM and key scale, making it easy to use in your projects.

Whether you're a beginner or an experienced music producer, you'll find that this sample pack is incredibly user-friendly and easy to use.

With Radio Hit Vocals Vol.2, you'll be able to create professional-quality music that is ready for the radio.

This sample pack is perfect for producers who want to stay ahead of the game and create the next big hit. Whether you're working on a pop, dance, or electronic track, you'll find that the sounds in this sample pack are versatile and perfect for a wide range of genres.

What's more, everything you get is Royalty Free! Buy once and use any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as House, Pop, EDM and more.

Please note: For Synth presets, you will need Serum 1.357 or higher.
