

'Radio Hits Vocals Vol.2 Male Edition' is the latest addition to our renowned HighLife Samples Radio Hits Vocals Vol.2. Dive into a world of captivating male vocals that will take your EDM productions to new heights.

Crafted with meticulous attention to detail, this royalty-free sample pack is designed to inspire and elevate your music. Are you ready to infuse your tracks with emotion and powerful energy? Look no further than Radio Hits Vocals Vol.2 Male Edition.

Whether you're producing progressive house, electro, trance, or any other EDM genre, these male vocals will seamlessly blend into your tracks, adding depth and professionalism.

Experiment with different vocal samples, slice and dice them, or use them as they are. The endless possibilities allow you to shape your tracks exactly how you envision them.

We understand the importance of versatility in music production, so this male edition perfectly complements the previously released female edition.

Together, they provide a well-rounded collection of vocal samples, catering to the diverse needs of EDM producers. Take advantage of this opportunity to create truly unforgettable tracks.

Like all HighLife Samples products, this vocal sample pack is meticulously curated and organized with Key scale and BPM, making finding the right vocal snippet for your project easy. Each sample is delivered in high-quality 24-bit WAV format, ensuring compatibility with all major DAWs and samplers.

You can also find loops of Drums, Bass, Fx, and Synths.

Elevate your EDM productions with captivating male vocals. Get ready to unleash your creativity and make a lasting impact on the global music scene.
