

Audentity Records proudly presents: Raw Realms, a new techno pack which explores the raw and dark side of techno.

The pack contains of 662mb of raw techno loops, samples, drums, melodics, basslines and fx.

Fully produced on hardware equipment such as the Black Corporation Deckards Dream and Kijimi, this samplepack breaths originality and adds something unique to the techno market.

Following a 100% analog signal path, the library is a catalyst for creative ideas and rewards endless sonic possibilities.

With no certain artists or labels in mind, our main aim was to focus on dark afterhours loops and one-shots that are sure to inspire your tracks across multiple techno sub-genres.

Raw Realms contains:

292 loops and hits

30 x bass loops

25 x chord loops

220 midi files

60 x drum hits

92 drumloops

15 fx loops

40 melodic one-shots

20 pads and atmospheres

35 x synth loops
