

# REGGAETON CLUB

5 KITS, LOOPS & SAMPLES, STEMS,  
MIDIS, SERUM PRESETS

**baltic**audio

'Reggaeton Club' from baltic audio is a powerful collection of amazing Reggaeton elements to push your production to the next level. You'll find a bunch of drums, percussion, instruments, 808s and more and some presets for the Serum synthesizer combined in 5 construction kits.

This pack provides you with all of the elements you need to make high quality Reggaeton & Dancehall tracks.

Each construction kit contains perfectly mixed instrumentation and will be your essential source for creating instant Reggaeton hits, which are just waiting for a vocal topline to be added.

The included MIDI files, oneshot samples as well as Serum presets give you no limits in creativity.

Of course, the numerous ready-to-use loops and stems also allow you to achieve great results very quickly.
