

Planet Samples presents a brand new hot sample pack, Reggaeton Vocals. This pack was inspired by the hottest names in Reggaeton such as Luis Fonsi, Daddy Yankee, Maluma, Becky G and others. If you are looking for great sounding vocals then this sample pack it's a must have.

In it you will find 3 vocal kits, with professional, completely fresh, female vocals – dry, wet and chop vocals, ready for you to release your next hit! All kits include Loops of Melodies, Bass, Chords, Leads, Pianos, FX's, and of course all drum loops.

We have included all Instrumental Loops in midi form as well as wav for your own convenience and creative freedom. All folders are numbered and labelled with their respective root key and bpm for your convenience.

What's more, everything you get is Royalty Free!

Buy once and use in any of your projects in as many combinations as you want.

Compatible with all DAWs and usable in more projects and genres than you can imagine.
