

Replicants is a pure Cinematic soundset for Reveal Sound Spire with 90 high-quality presets, mostly focused on Blade Runner World of Sounds from the eternal King: Vangelis. Get ready for a professional reproduction of your favourite sounds from the 1982 movie but also from Blade Runner 2049, composed and sound designed by Hans Zimmer, Benjamin Wallfisch and Mark Mangini in 2017.

These presets will inspire any of your next Cinematic, Sci-Fi or Ambient Music Production.

Use the 4 Macros, Modwheel, Pitchweel and sometimes even Aftertouch to enjoy the full sonic power of Replicants. Sound Design by Yahel Chabs.
