

'**Retribution**' includes five Construction Kits, made with an amazing atmosphere of sounds for great inspiration in the style of 808 Mafia, Spodee, Young Sizzle, ASAP Rocky and more.

This Kit includes the WAV loops and MIDI files so you have complete control over your project and can swap out sounds or change notes anyway you would like.

Best of all, these Construction Kits are 100% Royalty-Free, meaning you can use them in personal or commercial compositions at no extra cost.
