

RETROWAVE POP

DRUMS, SYNTHS, BASSES
LOOPS, ONESHOTS, MIDI

balticaudio

'Retrowave Pop' by baltic audio follows the current 80s vibe trend in the pop charts. Inspired by artists like Dua Lipa, Ellie Goulding or The Weeknd you will find all the sounds you need for your next retro pop song. Start your journey back to the 80s!

The package includes a collection of drum oneshots and loops as well as several bass and synth loops, all mixed and ready to use.

MIDI loops together with bass and synth shots complete the package and leave nothing to be desired.
