

Welcome to Revealed Brazil Vol. 1; a fusion of the traditional and cultural sounds of Brazil combined with the Revealed sound.

With a following spanning all across the world, we want to embrace the musical diversity of the Revealed family. And the next country in our global series showcasing the sounds from all around the world is, Brazil.

Revealed Brazil Vol. 1 is a collection of 1,055 samples and 256 presets for Spire and Sylenth1 to give your tracks the signature Revealed sound, with a Brazilian influence.

Whether you're looking for Kicks, Snares, Toms, FX, an impressive Percussion section, or an extensive collection of Percussion Loops, from Whistles to Shakers to Agogos to Timbas to Repiniques, you will find it here. To speed up your workflow, all samples are labeled by their root key, if a discernible pitch was defined.

Additionally, you'll find 128 Brazil-inspiring presets for Sylenth1 and 128 Brazil-inspiring presets for Spire so you can give your music an original touch. All Spire presets have all four macros assigned and all modwheels are programmed within each preset, allowing you to tweak presets to give you further sonic options and possibilities when trying to find the right sound to finish your track.

Revealed Brazil Vol. 1 is packed with a comprehensive and carefully selected collection of sounds to help take your productions to the next level.

Reveal Yourself.
