

Welcome to Revealed China Vol. 1; a fusion of the traditional and cultural sounds of China combined with the Revealed sound.

With a following spanning all across the world, we want to embrace the musical diversity of the Revealed family. And the next country in our global series showcasing the sounds from all around the world is, China.

Revealed China Vol. 1 is a collection of 550 samples and 128 presets for Sylenth1 to give your tracks the signature Revealed sound, with a Chinese influence.

Whether you're looking for Kicks, Synth Shots, Drum Loops, FX, an impressive Percussion section, or an extensive collection of Chinese instruments, from Erhus to PIPAs to Guzhengs to Dizi to Xiao flutes, you will find it here. To speed up your workflow, all samples are labeled by their root key, if a discernible pitch was defined.

Additionally, you'll find 128 Chinese-inspired presets for Sylenth1 so you can give your music an original touch. As always, all modwheels are programmed within each preset, allowing you to tweak presets to give you further sonic options and possibilities when trying to find the right sound to finish your track.

Revealed China Vol. 1 is packed with a comprehensive and carefully selected collection of sounds to help take your productions to the next level.

Reveal Yourself.
