We are happy to present you our new sample pack ,called Revealed EDM & Progressive House.

In this pack we tried to combine modern dance progressive house with bigroom and EDM music.

And we also inspired by famous Harwell records label - Revealed Recordings.

With 630 Mb size you can find Construction Kits, Presets, One Shots and Midis - so you will have all to make your own EDM banger.

So Sample Pack contents:

- 10 Great Songstarters with all stems (124-130 Bpm).

- 53 Presets for Serum (30), Spire (6) and Sylenth (17)

- 20 One shots (Drums, Brasses, Synths)

- 25 Midis

Size: 630 Mb

For using this pack you need:

Serum 1.30b9 or higher;
Spire Ver 1.5.8 or higher;
Sylenth 3.01 and higher;
