

Welcome to Revealed Hardstyle Vol. 1 - we wanted to create something definitive and unrivaled; giving you all the sonic elements of sounds to construct the next Revealed Hardstyle track with.

The 128 preset Serum Hardstyle Soundset represents a quantum leap in performance to other Soundsets. Utilizing the very most out of Serum, each preset has deep and advanced modulation routing. And all four macros and modwheels are assigned within each preset, enabling you to craft and perform sound variations that are insanely unique and cutting-edge. Classified into 4 categories, the 128 preset Serum Hardstyle Soundset shows an incredible depth of sounds from the hard-screeching riff leads, hard basslines, to the melodic elements of Hardstyle.

Within the 450+ samples, you'll find all the tools for the modern Hardstyle music producer. Whether you're looking for Kicks, Synth Shots, Percussion, Snares/Claps, or an impressive FX section, you will find it all here! To speed up your workflow, all samples are labeled by their root key, if a discernible pitch was defined.

You have all the tools and the ability to select a variety of original and advanced Hardstyle sounds used by Revealed artists themselves.

Reveal Yourself.
