

Welcome to Revealed Japan Vol. 1; a fusion of the traditional and cultural sounds of Japan combined with the Revealed sound.

With a following spanning all across the world, we want to embrace the musical diversity of the Revealed family. And the first country in our global series showcasing the sounds from all around the world is, Japan.

Revealed Japan Vol. 1 is a collection of 795 samples and 128 presets for Sylenth1 to give your tracks the signature Revealed sound, with a Japanese influence.

Whether you're looking for Kicks, Gongs, Percussion, Drum Loops, an impressive FX section, or an extensive collection of Japanese Vocals, you will find it all here. To speed up your workflow, all samples are labeled by their root key, if a discernible pitch was defined.

Additionally, you'll find 128 Japanese-inspiring presets for Sylenth1 so you can give your music an authentic and original touch. As always, modwheels are assigned to each preset to give you further sonic options and possibilities when trying to find the right sound to finish your track.

Reveal Yourself.

FREE BONUS: With your purchase you will also get "Revealed Chiptune". An 8bit/chiptune/video game library filled with 775 samples and 32 presets for Sylenth1!
