

As one of Revealed's most talented producers, Ryos has become prominent for his modern progressive house sound. Now, Ryos is releasing 134 of his presets for Serum, where you'll find sounds from his latest and upcoming releases, allowing producers to recreate the signature Ryos sound.

Within the soundset, you'll find a wide range of Bass, Chords, Keys, Leads, Plucks, and Synths. Tailor-made for customization, each preset is assigned advanced modwheel assignments and all four macro controls are programmed within each preset, allowing you to tweak sounds in your own way.

Ryos Serum Soundset Vol. 1 is packed with a comprehensive and carefully selected collection of hit sounds used in Ryos' catalog, to help take your productions to the next level.
