

Well, look what we have here, a Riddim based pack coming at you from Big EDM. Riddim has been a dominating genre in the EDM scene as of late, with names like Spag Heddy, Virtual Riot, Eh!de, Panda Eyes and Midnight Tyrannosaurus making big moves in the Riddim genre. With some crazy sounding basses, thumpy Kicks and Snares, and repetitive bass patterns that are meant to make you bang your head.

Big EDM – Riddim Power is a here to mimic that intense and popular sound that Riddim brings, and we assure you that this pack will assist you in creating the next Riddim banger. With a pack contriving of amazing Construction Kits and BONUS content like Brass Loops, Brass Shots, Atmosphere Loops, Drum Samples, Growl Loops, Melody Loops, One Shots and Synth Shots, you will have more than enough recourses to beef up your production.
