

Audentity Records proudly presents Riggi & Piros Sample pack.

Riggi & Piros need not introduction anymore as their releases on Spinnin, Musical Freedom, Armada, Mainstage, Doorn Records were all huge hitrecords.

With big remixes for Chainsmokers, Tiësto, Borgeous, KSHMR, Clockwork, & Borgore, not to mention collabs with Deorro, Borgore, Borgeous, Lil Jon, & Ookay, Riggi and Piros are very popular.

After hitting the sample market 2 years ago with their hugely successful sample pack (#1 Beatport, Top 10 Splice and more), the guys are back with a massive successor.

This time they made 5 different construction kits with 5 genres: EDM / Progressive House, Future Bass, Future House, Deep House, and Trap.

The kits are totally new composed and produced for you to use on your own tracks and release it on your fav label. All Royalty Free!

The duo also included very useful one shots of synths, drums, percussio loops, fill , fx and more.

If that wasn't already enough ,they also included lots of presets they used in their hitrecords like "Savage", "knightlife", "Feel So Good",
