The Audio Bar is proud to announce the latest Trap templates 'Rolling The City' available in Ableton, FL Studio, Logic Pro X and Bitwig. Influenced by artists such as Diplo, Carnage, Grandtheft, and more!

The Rolling The City template uses essential high quality Trap sounds, but also killer synths, FXs, and MIDI to take your music to the next level.

We also give you exclusive secrets behind the sounds, with production tips from the producer behind this pack.

This template is perfect for any producer looking to create or improve their own Trap/Hip-Hop productions.

The template contains top quality audio loops, one-shots, MIDIs, Massive presets, and the original royalty free vocal recordings to give you full control of the track.

From this template, one can learn how to create those banging drop leads, tight drums, as well as several mixing & mastering and arrangement techniques.

This template is exactly what you need if you are looking to improve your electronic music productions.
