

Feel the rumble of trap and hip hop type beats with the brand new firestarter from Laniakea Sounds inspired by the current trends in trap and hip hop music. This pack includes modern melodies, unique punchy drum loops, and essential drum kit based on various one-shots and FX's for making your production gold.

Enjoy our new iconic trap-flavored toolkit with carefully created drum loops with glides and warm 808's, laboriously resampled percussion and top loops, a massive collection of dark and wavy trap music loops and brilliant drum kit represent by various one shots with clean punchy kicks, innovate 808's and fresh tops and snares.

«Rumble» an authentic collection of drag-and-drop ready beats and melodies which immerse you in the vibe of trap and new school hip hop, If you enjoy artists such as Bhad Bhabie, Lil Yachty, Travis Scott, Drake, ASAP Rocky or Post Malone, be sure this pack was made just for you.

Every loop is meticulously key-tagged and tempo-synced, and of course, all of them are 100% royalty-free.
