

Known for a supreme selection of heated collaborations with the likes of Tiësto, SWACQ arrived on Revealed Recordings with the bass pummelling, festival hitter 'Yababa'. SWACQ proved once more his drive to deliver on the highest level with a huge festival ready track fitting for the summer season.

Continuously motivated by his fans, SWACQ wanted to give back, and has developed a Sample Library from his hit song 'Yababa', to spearhead the next era of Revealed producers and music.

Signifying Revealed Recordings penchant for dominating the festival circuit with their unmatched club ready sound, SWACQ gives you his own signature tools that contain a compelling combination of Drums, Fills, FX, and Vocal Chants.
