

“Savage Grid” by Banger Samples is a new-age sound matrix where hard trap beats meet futuristic synths and cinematic violin chords. This pack is designed for producers who want to sound fresh, hip, and aggressive, reflecting the rhythm of the modern street.

Inspired by artists like Travis Scott, Metro Boomin, Future, 21 Savage, Lil Uzi Vert, and Don Toliver, this pack captures the spirit of trap music – hard, futuristic, and relevant to our times.

Use Savage Grid to create tracks that sound like a soundtrack for the digital age – powerful, stylish, and charged with street energy!
