

This is a pack you definitely don't want to miss!

In it you will find 5 complete kits, offering the greatest tools and source of inspiration you have been missing.

All kits include the wav stems, including Bass loops, Melodies, Pads, Leads, both for builds and drops, FX, Saxophone and all Drum loops.

With each kit, you also get the midi files used for our distinctive sounds, plus the Spire presets used to create them!

What's more, each kit has a selection of One-Shot Drum samples (kicks, toms, hats, rides, snares and claps) for you to use.

All sounds are clearly labelled with key and bpm and ready to drop into your next project.

Everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want.

Compatible with all DAWs and usable in more projects and genres than you can imagine.
