

After a success of Sfx vol. 1 and 2, Exotic Refreshment are proud to present "Sfx vol. 3 - Exotic Samples 030".

Sounds Effects are very important in underground music production. That's why we have prepared a huge collection of effects ready to use in your Techno, Tech House, Deep House, Afro House, Progressive House, Minimal, Downtempo, Electronica or any other genre.

329MB of samples in wav format (44.1 kHz, 24-bit) in the style known from Exotic Refreshment releases and the biggest labels from the industry like Keinemusik, MoBlack Records, Diynamic Music, Sol Selectas, DIRTYBIRD, Hot Creations, Innervisions, Objektivity, Monaberry, Exploited, Material, Stil Vor Talent and many more...

Just drag and drop into your DAW (Ableton Live, Apple Logic, Pro Tools, FL Studio, Cubase, etc) and start creating your next track!

Sample pack includes only Sounds Effects! All drum, bass and synth loops used in the Demo tracks are from our sample pack "Melodic House & Techno vol. 1" released via our label Exotic Refreshment.
