

Code Sounds presents Shadows Dark Lo-Fi Trap which explores the deeper and darker side of Trap and Drill. A premium collection of distinct and inspiring keys, synths and beats. Discover the authentic, dark moody vibes with a serious selection of deep, somber keys and haunting melodic synth loops infused with static, dust and vinyl crackles. Expect to find an impressive collection of Trap Beat Loops and Drum Hits with full analog warmth and character, saturated punchy kicks, deep 808 bass and cutting snares.

Shadows Dark Lo-Fi Trap comes in at 357 MB with 142 total files with 08 Beat Loops, 47 Total Beat Stem Loops, 42 Drum Hits and 44 keys and synth loops full of character and dark vibes needed for your next Trap or Drill Beat production. All Kits and Loops are Tempo and Key Labeled for your convenience, and of course all sounds are Royalty Free!
