

Shocking Bass & Tech House For Serum is a soundsset that brings you up-to-date presets blending these two evolving genres. These sounds were inspired by artists who are erasing the boundaries between House and Bass music, such as Skrillex, Joyryde, Habstrakt, JAUZ, Biscits, and Fred Again. Whether you are coming from House, Bass, or even the Electro scene, this Serum soundsset invites you to create astounding and contemporary tracks.
