

Shocking Melbourne Bounce For Spire

'Shocking Melbourne Bounce For Spire' is the first Melbourne soundset from Vandalism. This bank is filled with 64 innovative patches. Every preset is painstakingly designed. This amazing release brings you only fresh, unique and the most thoughtfully crafted sounds! You are supposed to find the freshest and the most impressive presets, ready to move the crowd!

There's thousands of typical EDM oriented banks, but when it comes to original sounds, these are truly different, designed with maximum precision are definitely beyond the trends!
