

Shocking Organic House For Sylenth1 brings you instant inspiration for organic sounding and mesmerising festival tunes. These analog, soft, warm and emotional presets are inspired by Oliver Koletzki, Monolink or Armen Miran sound. Drawing inspiration from the natural world, these presets provide a harmonious blend of warm and earthy tones, rich textures, and immersive atmospheres. From lush, evolving pads reminiscent of tranquil leads to punchy basses that groove like a heartbeat, this pack is a creative toolbox for producers seeking to infuse their tracks with the organic essence of nature.
