

"Shocking Stutter House for Serum" is a next-level Serum preset pack designed to capture the essence of Skrillex, Fred Again, and Bunt sounds. This pioneering technique involves crafting sound from vocals, pushing the boundaries of electronic music production. The famous stutter effects bring a fresh perspective to sound design. You can expect a fusion of gritty basses, glitched-out leads, and haunting pads and synths that carry the emotional weight of human voices transformed into sonic art.
