

Get ready to take your music production to the next level with our cutting-edge soundset, Shocking Tech House For Serum 2. Packed with a collection of mind-blowing presets, this revolutionary Serum soundbank delivers the most essential sounds you need to dominate the Tech House scene. Experience the power of clean, analog synths, thumping basslines that will make your speakers quake, and the signature detuned saws and distorted leads that define modern Tech House hits. We've meticulously crafted each sound to ensure they're not just up-to-date, but truly unforgettable. Inspired by the chart-topping sounds of industry giants like Fisher, Dom Dolla, Biscuits, Chris Lake and Diplo, this soundbank is your secret weapon for creating the infectious grooves and energetic vibes that drive dancefloors wild. Say goodbye to generic presets and embrace the cutting-edge sounds that will set you apart from the crowd!
