

Big Sounds present Slap House Vol.2 sample pack for music producers. A follow up sample pack that will help you to making slap house topping grooves in no time.

Inside you will find five Construction Kits offering the greatest tools and source of inspiration you have been missing. All Kits include the bass loops, melodies, synths, leads, plucks, FX and drum loops.

What's more, Big Sounds have included the MIDI files for all melodic elements, the Serum VSTi presets used to create these sounds and one-shots for all drum elements.

There's also included a Stems folder containing the WAV files for the demos. All folders are clearly labelled with key and BPM information and all sounds are ready to drop into your next project.

Everything you get is Royalty-Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs.

Please Note: To run the presets you will need Serum v1.298 or higher.
