

Variavision is back with 2nd installment of Soulful & Tech House Vocals!

Packed with 400Mb+ of deep, rich, soulful & tech vocal chops – Soulful & Tech House Vocals 2 by Variavision is primed for any sub-genre of house music.

From harmonic, emotive toplines, pitched-down vocal phrases & stuttering chops to glitched, gritty tech-vox loops this collection is perfectly crafted for an instant drag & drop action.

Totaling of 182 vocal chops & loops – Soulful & Tech House Vocals 2 is a perfect choice for any house music producer.

If you're looking for extra vocal hooks to spice up your own productions – look no further than Soulful & Tech Vocals 2!

Vocal loops are presented at 120 – 125 BPM.

What's inside:

92 x Vocal Loops

90 x FX Vocal Loops

All loops are WAV format, most of the loops are key-labelled.
