

## Description Soultronic Vocals

We present 'Soultronic Vocals' by Seven Sounds, a combination of two incredible genres that are EDM and RnB & Soul. It has two construction kits perfectly created to the Soultronic concept, and two powerful vocals, with excellent harmonies and hooks, perfect for you to start creating your next hit. Without a doubt, a pack that cannot be missing in your library. Inspired by Skrillex, Kaytranada, H.E.R. This content is 100% royalty-free. Contains Lyrics.
