

Armed with pounding drum loops, raw bass sounds, modular melodies, dark atmospheres and textures, abstract percussion workouts, vocals and FX – “Space Techno” delivers 1.5 GB of unique sounds for any underground music producer.

Served with industrial tech-driven sounds, rough beats, underground synths and sub-melting low-end grooves, “Space Techno” is engineered to smash through the mix with pro-crafted sounds suitable for your next tech-infused productions.

If you are looking to tweak some knobs and shape the sound – we got you covered, as each musical loop includes MIDI files for easy layering of sounds.

All sounds are presented in standard WAV & Rex2 formats and ready to be loaded into any DAW or sampler.
