

90'S DANCE ESSENTIALS

PRESETS & SAMPLES

DEMO

This product contains:

- 100 presets for **Spire** & **ReSpire** synthesizers
- MIDI files associated with demo
- WAV samples and loops (24bit, 44100 Hz)

Important information: All melodies used in demo files are protected by copyright and belong to their respective owners. All MIDI-data and WAV samples containing **melodies** or **vocals** are intended strictly for educational purposes!

All presets in this product are **100% Royalty-Free**

You can use the rest WAV samples and loops in your commercial releases without having to pay any hidden costs.
