

«SPIRE BASS ESSENTIAL»

Ancore Sounds presents the best product for bass line creation - a powerful soundset for **Reveal Sound Spire** synthesizer. Every bass preset in this bank sounds powerful, high-quality and reads well in your track without any additional processing.

We've created this product taking into account all the trends in sound today, it is not just bass, it is a power and energy in every preset.

When creating this bank, we focused on the most known music labels like **Armada, Enhanced, Anjunabeats, Protocol, Spinnin, Anjunadeep, Spinnin Deep, Hexagon, Revealed, OWSLA, Monster Cat** and others that release tracks of famous producers.

"**Spire Bass Essential**" is 128 incredibly powerful and relevant basses in the style of **EDM, Deep House, Future Bass, Future House, Trance, Progressive, House** from the most punchy and pumping to analog and soft sounds.

This bank is the best tool for creating modern and high-quality bass lines in your music.

By creating the demo, we used additional sounds of leads and sequences from Factory banks of Spire synthesizer.

After purchasing this product, you can freely use all the presets from this package in your commercial works and projects.
