

«SPIRE BASS ESSENTIAL II»

Ancore Sounds presents "Spire Bass Essential II" - the top-of-the-line product, featuring 10 incredibly powerful, inspirational construction kits for music production designed with the Reveal Sound Spire synthesizer. Every bass preset in this pack sounds powerful, high-quality and reads well in your track without any additional processing.

We've made this product taking into account all the trends in sound today, it is not just bass, it is a power and energy in every preset.

Creating "Spire Bass Essential II", we were inspired by the most famous music labels, as well as focused on the sound of world electronic music producers.

You will find here 10 stunningly fresh and relevant construction kits, bass and rhythm sections in the styles of Trance, Deep House, Future House, Bass House, Progressive from the most punchy and pumping to analog and soft sounds.

This is the best product for creating modern and high-quality tracks. By creating the demo, we used additional sounds of arpeggios and plucks from Factory banks of Spire synthesizer.

After purchasing this product, you can freely use all the presets from this package in your commercial works and projects.
