

From smooth and soulful to deep and dark: Spire Deep House Patches delivers 103 expertly-crafted sounds to kick-start your next track. Packed with chunky subs and metallic wobble, classic stabs and retro-future leads, atmospheric pads and trippy FX, it's an essential addition for any Spire user.

Totalling 103 patches the collection contains 40 basses spanning everything from raw analogue-style subs and squares to dark metallic wobbles; 21 trippy and timeless poly leads, 21 retro-style stabs, 11 silky and smooth pads and assorted FX, sequences and percussion sounds.

We've also bundled in 30 MIDI files showcased in the demo to spark your melodic inspiration.

Please note: this collection contains Spire presets and MIDI only. The demo contains drum samples not included in the pack.
