'Spire Essentials Bundle (Vols 13-16)' from baltic audio combines four packs of this best-selling series of top-quality presets for the amazing Spire synthesizer to create hit tracks, including hand-crafted basses, leads, plucks, pads, synths and FX. 256 presets contain everything you'll need for your next banging hit.

Each preset is perfectly programmed by a professional sound designer and every parameter tweaked with passion and detail and will be your essential source for creating new and commercial sounds within your compositions.

You can use it for genres like EDM, Hypertechno, Synthwave, Future Rave, Dance, Pop and more.
