

SPIRE ESSENTIALS EDM COLLECTION

'Spire Essentials EDM Collection' from baltic audio combines three packs of top-quality presets for the amazing Spire synthesizer to create EDM tracks, including basses, leads, plucks, pads, synths and more. 192 presets contain everything you'll need for your next banging bigroom hit.

Each preset is perfectly programmed by a professional sound designer and every parameter tweaked with passion and detail and will be your essential source for creating new and commercial sounds within your compositions.

You can use it for genres like Future House, Progressive House, Dance and more.

In addition, you'll find 100 MIDI files taken from the demo.
