'Spire Essentials Mega Bundle (Vols 1-10)' from baltic audio includes all previous packs of this best-selling series of top-quality soundsets for the amazing Spire synthesizer to create hit tracks. You will find 640 presets containing everything you need for your next banging production.

Each preset is perfectly programmed by a professional sound designer and every parameter tweaked with passion and detail and will be your essential source for creating new and commercial sounds within your compositions.

You can use it for genres like EDM, Pop, Future Bass, Trance, Future House, Progressive House, Melbourne Bounce and more.

In addition, you'll find 403 MIDI files taken from the demos.
