

Relive that first rave vibe with retro-inspired presets that can inject a classic 90s feel into your tracks! Memorable arps, powerful organs, aetheric pads, and classic 90s sounds dominate a pack that will have you up out of your chair and grooving the way you used to.

As you've come to expect, all presets are volume normalized, rooted, and categorized with an intuitive naming system that ensures you never spend more time hunting for sounds than necessary.

Jan Hinke, Dutch sound designer and frequent collaborator with Freshly Squeezed Samples, drew his inspiration from some of the greatest: 808 State, T99, Eric Amador, Snap, Fierce Ruling Diva, Prodigy, Capella, Bomb The Bass, Reel 2 Real, Crystal Waters, 2Unlimited, Robin S, Lil Louis, Guru Josh, Afrika Bambaataa, Goldie and many others.

With 128 presets and 25 inspirational MIDI files, you'll have everything you need to put your own spin on the classic retro house sound. Take a trip down memory lane through the audio demo and picture yourself playing with the sounds that inspired a generation.
