

'Spire Kings: Future R&B' by Diginoiz is for producers making R&B, Trap or Dark Pop. You and your Spire VST instrument plus this pack equal inspiration and a killer track.

You'll find 64 Spire Presets within a .sbf file that is ready to be imported to your instrument. Experiment with drum sounds, leads, pads, basses, synths, FX, and more.

Please Note:

The snare & hi-hats in the demo are not included in this pack. They are for illustrative purposes only. The rest of the sounds from the demo are found in this pack.

Reveal Sound Spire v.1.1.12 is required for this sound set.
