

Soundclan Music are glad to present you a new bank of presets and melodic kits for a powerful and soulful uplifting trance.

128 presets for the universal Spire synthesizer will give you great freedom for creativity and inspiration.

The bank includes a variety of sounds such as acid, arpeggio, bass and mid-basses, reese basses, leads and plucks, keys and pads. Each preset has a modulation wheel for a more flexible approach to creating a track. Also, you will find 5 midi kit projects to create with midi parts of instruments to create your tracks.

This sound bank is perfect for uplifting trance, epic trance, euphoric trance, progressive trance, psychedelic trance and other styles of electronic dance music.
