

On this second volume I decided to explore a more HiNRG, Italo-Disco sound. Thus giving the pack a true Retrowave, Synth-Pop feel. It's production ready and compliments my first pack Volume 1.

There are 64 sounds across a wide range of categories giving you a nice synth palette to work from. Check out the demo to hear how this pack will lift your next track.

Details:

64 presets for Spire synthesizer(1x Sound bank).

MAC / PC compatible.

100% royalty-free

Requirements: Spire synthesizer Ver 1.1.13 +

PLEASE NOTE: Audio Files are NOT INCLUDED in this pack and they are used in the MP3 Demo(Video Demo) for demo purposes only! This pack contains only Spire presets.

You can use all presets in your commercial releases without having to pay any hidden costs.
