Trance Titans Samples - Spire Trance Essentials Vol.2

After a while of inactivity, we are back with a great bundle called "Spire Trance Essentials Vol. 2", a package that includes 100 Presets for the VST Reveal Sound Spire, 5 Construction Kits, MIDIs and Project Files for FL Studio.

"**Spire Trance Essentials Vol.2**" is the continuation of the first volume of this small saga of soundbanks for the VST **Spire**, as well as the previous volume, this new package includes **100 Presets** inspired by the greatest artists of the Trance scene, **5 Construction Kits** with the quality and standards that labels look for in current productions, so you can take it as a point of inspiration and a guide to create your own productions, as well as the **Project Files** for the DAW FL Studio, with these you can see and study the structure, mixing and selection of sounds, so you can implement mixing or structure techniques in your own productions.

Several purchase options are available: Full Pack, Presets Only, Construction Kits Only & Project Files Only.
