

Spire Trance Plucks Vol. 1 is a collection of 100 presets that captures the sound of 90s Rave, Classic, and Uplifting Trance.

You'll find a large and diverse selection of fresh vintage and modern trance plucks – all in one place. Among every preset having modwheel assignments, each preset is assigned all four macro controls programmed so you can easily tweak your favorite sounds to customize and modulate them just the way you want.

Spire Trance Plucks Vol. 1 is the perfect creative tool for any producer looking to bring a quality Trance sound to their productions!
