

Ancore Sounds presents a huge collection for Spire synthesizer - "Spire Trance Ultimate Bundle" for producers who create music in the styles of Trance, Progressive House, EDM, and others. This megapack contains everything you need to create high-quality and powerful tracks.

All products in this bundle were created taking into account the latest trends in the trance music and the sound of popular labels and artists such as Orjan Nilsen, Arty, Above & Beyond, Andrew Rayel, Armin van Buuren, Ilan Bluestone, Genix, Ferry Tayle, and many others.

"Spire Trance Ultimate Bundle" contents 326 truly powerful, punchy and memorable presets for Spire. You will find here a set of inspiring chord & pluck sounds, punchy leads, incredibly powerful and actual basses, as well as soft and flying pads. This product will become an excellent tool for creating modern and extraordinary sound in your music.

After purchasing this product, you can freely use all sounds and presets from this pack in your commercial works and projects.
