

Stamped House sample pack by Big Sounds has been designed to help you to make a unique house banger track.

Inside this sample pack, you will find five construction kits over 2.51GB of samples, including Loops, Stems, Drum Hits, Fx, and Serum Presets. All kit folders are BPM and key labelled for easy navigation.

There are also included the MIDI files for all melodic elements allowing you to edit the MIDI files inside your favorite DAW and make your own melodic loops.

Each Kit contains Stems folder containing the WAV files for the demos. All folders are clearly labelled with key and BPM information and all sounds are ready to drop into your next project.

Drum Hits are also included, allowing you to create new beat loops. Simply load them up into your sampler and create an infinite number of fresh ideas.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as House, EDM, G-House, and more.

Please note: To run the presets you will need Serum v1.298 or higher.
