

Gramo Tech Sounds features 500 Mb of driving, dark tech house sounds.

The producers of this sample pack are Stanny Abram & Ranchatek.

The slovenian & serbian “imprint” with the successful releases on the following record labels like Nervous, Sphera, 1605, Whartone, PP Music, Music is The Answer just to name a few.

What happened when both of them decided to join forces?

– The Gramo Tech Sounds.

From deep and raw analog basslines, tribal-infused percussion loops, crispy clap loops, top & punchy kick loops to dark tech synths & stabs, glitched vocals & noise FX sounds – The “Gramo” has it all.

What’s inside:

Bass Loops: 40 low-enders presented in 124 and 125 BPM.

Clap Loops: 10 crispy clap loops.

Percussion Loops: 60 tribalistic workouts. From african ensembles to brazilian street-carnaval sounds.

Top Loops: 80 beat builders for instant groove creation from fully kick-free workouts to stripped hat / shaker only lines.

Kick Loops: 30 punchy kick drum loops are ready for serious low-end action.

Music Loops: 10 musical hooks, from dark tech stabby grooves to acid-influenced synths.

Vox Loops: 10 glitched & pitched vocal-hooks.

FX: 6 white noise falls & rises.

All loops are tempo synced and presented in WAV format.

Download contains 467Mb of WAV format content.
