PACK DESCRIPTION:

Code Sounds proudly presents Stargazing Serum Lo-Fi Chill a deep retrospective journey into a vast universe of sound and light. Stargazing features an eclectic fusion of sounds from Chill, Ambient, Cinematic, Lo-Fi Hip Hop and Trap elements. Discover Serum's lush, analog style cinematic textures and atmospheric tones, with fragments of dust, noise and detuned Lo-Fi goodness!

Stargazing Serum Lo-Fi Chill features 64 Serum Presets and 61 WAV Loops in a truly inspiring collection of shimmering bells and chime tones, deep warm pads, soundscapes, analog style detuned bass, and drifting keys, dusty leads and plucks! The included Beat Loops are baked to perfection with warm saturation, vinyl noise and glitch artifacts. An essential toolkit of Serum Presets, nostalgic Chords, Melodies and distinct Lo-Fi Beat Loops for Chill, Ambient, Lo-Fi and Cinematic producers!
